THE SCIENTIFIC RENAISSANCE OF COLOMBIA
A NEW GLOBAL LEADER IN ENDO INNOVATION

Carlo Vallejo M.D.
Vascular & Endovascular Surgeon
University Hospital San Ignacio
Pontificia Universidad Javeriana
Bogotá - Colombia
Disclosure

Speaker name:
CARLO VALLEJO M.D.

I have the following potential conflicts of interest to report:

- Consulting
- Employment in industry
- Stockholder of a healthcare company
- Owner of a healthcare company
- Other(s)

X I do not have any potential conflict of interest
Colombia

- 47 million people
- 1,141,748 km²
- 2 oceans
- Tropical weather
- Borders
- Nice landscapes
Colombia
More than...
Health system

• Access to health services in Colombia is good and with a high coverage compared to other countries.

• High coverage in public health allows to extend endovascular therapy in our country.
ENDOVASCULAR THERAPY
TWO DECADES OF TRANSFORMATION

CONCLUSIONS

• Globalization has allowed Colombia to have a high level of development in endovascular therapy.

• Colombia’s Health system has allowed us to provide patients complex treatments in endovascular therapy.

• An open mind to new technologies and innovations are the keys to be competitive in a constant changing world.
